Silvia Salat

UX / FRONT-END DEVELOPER

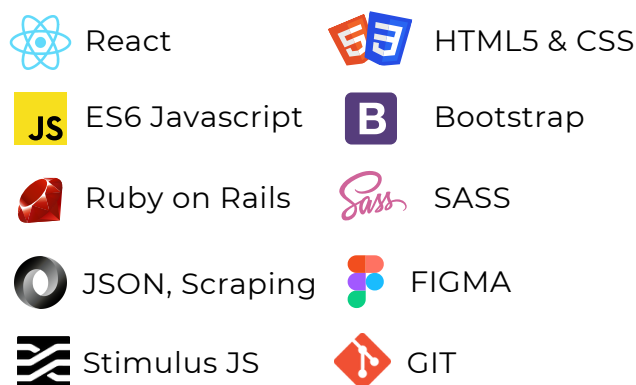

Hey, it's Silvia! I am a UX/UI Front end focused developer from Spain!

As a hands-on pragmatic problem solver, I've always enjoyed getting into new challenges, that's what got me from learning how to communicate ideas through human languages to expressing new ideas through designs and code.

LANGUAGES

Spanish	● ● ● ● ●	Native
English	● ● ● ● ●	Fluent
